Service Update - 29/02/2024

Unfortunately from 31st March 2024 we will no longer receive funding to allow us to help clients from Bath and North East Somerset. Instead, BaNES Council are developing the Community Equipment Service, the Minor Adaptations Service and the Community Wellbeing Hub to support independence for residents of these areas.

They have asked that we signpost people from Bath and North East Somerset to either Live Well BaNES (<https://livewell.bathnes.gov.uk/>) or the Community Wellbeing Hub (<https://communitywellbeinghub.co.uk/>).

As our waiting list is approximately 6 weeks long, we regret that we are unable to add anyone else from BaNES to the list for an appointment as of now. We may still be able to help with telephone/email information between now and the end of March, depending on the complexity of the enquiry.

If you live in BaNES and have an OT through the Council or NHS, we would still be pleased to let them use our centre to hold their own appointment with you until the end of March, so please ask them to contact us to arrange this.

If you live in Bath or North East Somerset and are already on our waiting list, please be assured that you will still be offered an appointment, even if this is after 31st March.

We would like to thank BaNES Council for the support they have given us over the years, and apologise to our clients from these areas for any inconvenience this may cause.
